Enjoy a Self-Catering Holiday
in our town centre holiday flat

The self-catering flat is in the centre of Crieff, a small town on the edge of the Highlands, within easy reach of cities such as Stirling, Perth, Glasgow, Edinburgh, and also mountains, golf courses, fishing and sailing, making it the ideal base for a Scottish holiday.

The spacious flat sleeps up to six people, with accommodation on two floors, on the first and second floors of a traditional Victorian building. The accommodation retains some fine features including high ceilings, casement windows and cornices, but has been recently modernised to a very high standard to ensure an excellent level of comfort for our guests.
